PROCLAMATION

Whereas, the diseases of the heart constitute a health problem that is everybody's concern, and despite the constant and intensive battle being waged against them by medical science, they remain a principal cause of disability and death in the United States; and

Whereas, the Santa Clara County Heart Association, an affiliate of the American Heart Association, devotes itself during the month of February in an effort to enlist the aid and cooperation of the people, science, government, health agencies and social agencies in devising means to fight heart disease;

Now therefore, I, Richard W. Morton, Mayor of the City of Campbell, do hereby proclaim the month of February be observed in the City of Campbell as American Heart Month. I further call upon all schools, churches, scientific bodies, civic associations, business establishments, social and fraternal organizations, and the people of the City of Campbell generally, to cooperate wholeheartedly in the Heart Fund Campaign with the Santa Clara County Heart Association in its activities, designed to improve the public health.

Campbell Stores Offer Double Dividend Today

City of Campbell is becoming known for doing things in a big way. Fresh on the heels of the largest and best Old Settlers' Day in the history of the community, Campbell merchants today hope to attract crowds resembling those at the parade by offering bargain prices on quality merchandise topped by an added premium—DOUBLE STAMPS.

Top quality goods with a six percent discount is what Campbell merchants who participate in the Stamp Plan, have on hand for today's shoppers.

Today, the Campbell buyer can double his end of the month trade dividend while shopping at member stores, by receiving 20 stamps for every dollar purchase.

Following are winners in the parade:

Sweepstakes prize, Cub Scout Pack 9, Campbell Hardware and Taste Good Bakery; commercial floats, Campbell Co-operative Dryer and O'Dell Plumbing Co.

Interesting and colorful floats that bespoke great care in their preparation were entered by Campbell Co-operative Dryer with its flower-decked trailer from which girls tossed individually wrapped prunes to the crowd.

Hunt Foods Inc., which re-created an old-time cannery harking back to the "wash boiler" days, Campbell Future Homemakers who depicted how "better foods make better homes," Campbell American Legion Auxiliary with its poppy-decorated cross, and Campbell VFW Post which featured a "God Bless Our Home" theme.

Other outstanding float entries were submitted by Campbell Future Farmers, who showed how agriculture is taught in the field and in the classroom; Campbell Footlighters, who advertised their evening production of "The Sun Deck" with a giant boat, and various youth groups who demonstrated their activities on truck and trailer-borne displays.

A representative host of riding organizations, colorful marching and musical units from San Jose Pyramid No. 9 of the Scouts; Memory Post 399, American Legion, and Campbell and James Lick High Schools helped round out the parade which was carried out without a hitch in its organization.

Ira Grim, L. W. Harmon and Ollie Jensen headed the parade committee. Judges were San Jose Mayor Parker L. Hathaway, Campbell City Councilman James W. Arends Jr. and Douglas Harville. Martin S. Walsh served as narrator at the judges' stand.

'53 RED CROSS DRIVE HEAD IS 'DOC' ARENDS

Joaquin Payne, manager of the local American Trust Company and Campbell Area Chairman of the American Red Cross, last week

EMERSON "DOC" ARENDS

announced Emerson Arends as Red Cross Fund Drive Chairman for 1953.

Arends revealed to the Press that plans are underway for coverage of the Campbell area, which is bordered on the north by Moorpark Ave., south by Carlton Ave., east by Meridian Rd., and west by the Santa Clara-Saratoga Rd.

Division captains, as listed by Arends are as follows: Cambrian, John Allen; Campbell, Dean Chamberlin; Moreland, Robert Culp; San Tomas, J. B. Nevin; Hamilton, Glen Du Bois; Western Gardens, Mrs. Grace Bronzan; Moorpark, Mrs. J. B. Arends, Sr.; Cypress, Harold Seyferth; and Rosemary, Mervin Willoughby.

Helping in recruiting canvassers are Mrs. R. V. Hoover of the Campbell Union High School PTA and Mr. Charles Schmidt of the Rosemary Home and School Club.

Forrest Reese will solicit the business and industrial divisions and Guy Farley the community and civic organizations.

Arends also revealed that the Ainsley corporation has donated the use of the store building formerly occupied by Burnett's Appliances at 283 E. Campbell Ave. Office will be used as headquarters for the Campbell Area.

Mrs. Dorothy Ellis will be in charge of the office, and will maintain hours of 9 to 12 and 1 to 3, Monday thru Friday inclusive.

Arends further stated: "Many people are laboring under the delusion that Red Cross was included in the United Campaign last fall. While this may be true in other areas other than Santa Clara County, such is not the case here. We are conducting our own drive, of which our quota is \$4500.00. While our own drive may follow those of the other areas of the county, it will not be too late to do the work intended."

With the possibility of a deepening problem in Korea, the recent catastrophes in Holland and England, and the military demand for an accelerated Blood Program, 1953 is a crucial year.

To date, Campbell has never fallen down in meeting or exceeding its quota. We hope that the people of this area will rally to the cause and put us over the top this year."

HOW ARE PRESCRIPTION PRICES DETERMINED?

The cost of medical care has increased along with that of other necessities of life. Moreover, sickness seems to strike most frequently at a time when it is the most difficult to pay. In recognition of this situation, we are pleased to publicize our prescription pricing policy. We do not offer bargains, nor do we claim to undersell. Prescription prices are determined by the cost of ingredients and operating expense. Our prices are as low as efficient service and quality drugs will permit. Above all, they are fair.

The "Hill Billy Bob" show is building a large following on KSJO, the nation's most powerful all-western music station. The program, featuring the young Campbell Western entertainer is heard every Saturday afternoon from 4:30 to 5:30 at 1590 on the dial. Merchants of the Campbell area are sponsoring the popular program. Adv.

Dr. James De Voss, executive dean at San Jose State College, addresses a gathering of "old Settlers" and other Campbell citizens at dedication ceremonies of new Rosemary School. Other principals of dedication are Josephine Barbano, who rendered vocal

selections, C. E. Bradley, master of ceremonies, Mayor Richard W. Morton, speaker, and the Rev. Ed Bowling, who gave the invocation. (lower left) Chairman of mounted division of Old Settlers' Day parade, Budd Levenberg, casts a critical eye over the proceedings

which, however, went off without a hitch. (Lower right) Adding authenticity to the parade's early California theme Vestal Drake, Campbell resident and a full-blooded Indian guides his shaggy mount along the parade route.

Chief Blackmore Speaks to Club

Chief Ray Blackmore of the San Jose Police was guest speaker at the recent night meeting of the Cambrian Home and School Club. Chief Blackmore's topic was "Juvenile Delinquency", and his theory, gained in 24 years of work in this field and interestingly presented, is that there is always a reason behind delinquency that might have been prevented. After his talk Chief Blackmore answered questions asked him by the audience.

The meeting was opened with the pledge of allegiance, and Mr. and Mrs. M. G. Eisebrook led the gathering in singing "America the Beautiful". The guest speaker was introduced by Mrs. Lester Raphael, program chairman.

Mrs. Logue Mitchell reported that more than \$500 had been collected by the club's representatives in the Mothers' March of Dimes. Mrs. Karl Belser and Mrs. Mitchell thanked those who cooperated in the drive.

Mrs. Mitchell and Mrs. E. A. Decker volunteered to assist Miss Katherine Anderson, school nurse, in sorting and distributing clothing donated for needy children. The ladies will serve as a permanent committee.

Mr. Delos Bagby, school principal, gave an informative talk on the facilities of the school, the

Educational TV Quito PTA Topic

"The Possibilities for Educational Television" were outlined in an interesting talk by Dr. Richard Lewis, head of the Audio-Visual Department of San Jose State College, before the Quito PTA at a night meeting held February 17th.

The greatest educational possibilities of television, said Dr. Lewis, are in the home, in programs directly correlated with school work and for children on double school session, as well as joint programs on arts and crafts cafeteria with its capable dietitian and staff, and the audio-visual equipment, which is unusually good, as each room has its own projection screen and black-out drapes.

The membership voted to have a food sale in the near future.

and all sorts of adult education. For the community there are great potentialities in programs on history and civic institutions.

San Jose has been chosen as one of eight localities in the state for an educational channel, Dr. Lewis announced. The transmitter is to be located on Loma Prieta, and the station will have an exceptionally wide reception area. Counties as far south as San Benito and Monterey, as far north as Marin, as for east as Stanislaus, and in the west, Santa Cruz, will be reached. Educational television will not compete with commercial television, the speaker explained; the programs will be locally controlled,

and there will be no spoken commercials.

Entertainment for the evening meeting was furnished by the fifth and sixth grade classes of Mr. Jack Ballenger, who presented the folk dances "Oklahoma Mixer" and "Red River Valley". The dances were announced by student Dennis Ham.

Frank Markert, cub scout, led the pledge of allegiance.

A "room count" banner, made by Mrs. Robert Church and Mrs. Robert Landis, was presented to the PTA, and was won at this meeting by Mrs. Doris Hubbard's afternoon kindergarten.

It was decided by vote that the Jokers' Square Dance Club will be

sponsored by the Quito PTA.

An announcement was made that \$287.55 had been collected by the Mothers' March on Polio in the Quito area.

Cup cakes, coffee and tea were served by the fourth grade mothers.

Among the colorful parade entries in Campbell's 61st annual Old Settlers' celebration Monday were the traditional array of floats, majorettes and youth groups some of which are shown above. Typical of the many animal entries were horse and mule drawn carts

and buggies, a host of mounted organizations, the brilliant Marine Corps band from Treasure Island shown here on the steps of Campbell Union High School before giving their well-attended hour long concert in the High School auditorium. Other parade entries included

a truck convoy from the 49th National Guard Division's 637th Field Artillery Battalion, the Navy Electronics School's band and drill team together with other marching and mechanized units. Local civic and commercial groups contributed their share of color with a series of entries that marked a new high in originality.

CAMBRIAN NEWS

CAMBRIAN PARK RESIDENTS DONATE LABOR TO NEW CHURCH BEING BUILT

Construction of Cambrian Park Methodist Church at corner of Gunstan Way and Wyrick Ave. in Cambrian Park is progressing, with church members donating time and materials, Miss Dorothy Gleason, pastor, said this week.

Fifteen men and four boys donated approximately 100 man hours of work during one week, but there is still much to be done.

Another way church members and other residents in Cambrian Park may help, besides donations of time and labor, the pastor said, is for families having loads of dirt and rock removed from their own property to donate the needed fill to the church property. The property on Wyrick Ave. requires more fill to bring it up to grade level, she said.

The area to be filled is to be used for a children's playground. For that reason, church officials ask that no cans, sticks or garbage or other unsanitary or unsightly debris be dumped.

Still another way Cambrian Park residents may contribute to the successful completion of the community structure is to take a subscription to the Campbell Press from one of the 30 boys and girls who are soliciting, under the direction and authorization of Miss Gleason.

Miss Gleason reminds Cambrian Park residents that the entire amount of a subscription—\$3 for one year or \$5 for two years—is contributed to the church building fund.

Two groups of boys and girls have been formed to encourage subscriptions to the Campbell Press, consisting of junior and high school youths. Groups are competing against each other for the largest number of orders filled. Winning group will enjoy a full meal at the completion of the campaign, with the cost to be borne by the losing group.

Miss Dorothy Gleason, pastor of Cambrian Park Methodist Church, will attend the meeting of the California-Nevada Conference Interboard Vocational Commission to be held at the College of the Pacific in Stockton tomorrow, February 27.

CAMBRIAN PARK IMPROVEMENT CLUB MEETS TUES. FOR ANNUAL ELECTION OF AREA'S ASSOCIATION OFFICERS

Annual meeting of Cambrian Park Improvement Association will be held Tuesday March 3, at 7:45 p. m. in the new John Parker Elementary School on Union Avenue at which time nominations will be accepted for new panel of officers.

Candidates for the offices of president, vice-president, secretary, treasurer and chairmen of ways and means steering committees have been chosen by the nominating committee. They are: for President Donald Findlay, for vice-president, Mrs. L. C. Meyers, for secretary, Mrs. H. R. Melbourn, for treasurer, Willis Butler, for chairman of ways and means committee, John W. Banks, and for the steering committee chairman, Charles McDevitt has been nominated.

Besides candidates chosen to succeed present officers James J. Braddock, president, C. C. McIntyre, vice-president, James Ersted, Chairman of Ways and Means committee, Mrs. Janette Melbourn, secretary, and treasurer Les Chelby. Nominations will be accepted from the floor, during the meeting.

Among those expected to be nominated from the floor will be Clifford Lawler who has indicated he would accept a nomination for president of the C. P. I. A.

If nominated Lawler, a charter member and elected chairman of Unit No. 5 Cambrian Park, said he would cite examples of his ef-

forts in the past as evidence of his interest in the community.

Among civic projects completed during the period the C. P. I. A. has been in operation (since April 1, 1952) has been the repair of area roads, the staging of Cambriana, (a social event of Cambrian Park held last fall), the complete initiation and conclusion of the lighting district.

Pacific Gas and Electric com-

pany is now installing electrical connections for street lighting and will have them in operation July, 1953.

Terms of new officers to be elected at the next meeting will last for one year.

Object of the organization, formed April 1, 1952 was to coordinate the efforts of Cambrian Park home owners in order to effect certain community improvements.

Members who pay two dollars annual dues are composed of Cambrian Park home owners and residents. Two dollar membership fee is assessed against residence irrespective of number of members.

Cambrian Women Hold Clothes Discussion Meet

Cambrian Home Extension group met yesterday morning from 10 to 12 noon at the Cambrian Youth Center for a discussion of summer wearing apparel.

Styles and fabrics easy to sew, the organization of the sewing

area and the making of dresses in easy units were all brought under discussion and demonstrated by the leaders.

Project leaders were Mrs. Max Nigl and Mrs. M. G. Estabrook. Women in the Cambrian area are invited to attend meetings of Cambrian Home Extension club. There are no dues and the extension department of the University of California and its Santa Clara office is interested in making its services available to home owners.

MRS. NORMAN PRATT, who was injured in a two-car accident three weeks ago, is up and around now, though she is still staying at home. Both cars were demolished in the collision, caused by the skidding of the other car; Mrs. Pratt sustained the only injuries. Mrs. Pratt tells us it was her first accident in thirty years of driving, and we trust it was her last.

The Star Circle, Order of the Eastern Star, will meet at the home of Mrs. LAWRENCE SCHAPER, 41 Carlyn Ave., at 1:30 p.m. on Friday, Feb. 27.

Co-hostesses with Mrs. Schaper will be Mesdames GALEN THOMPSON, ARTHUR AKER and FRANCIS SWANE.

HENRI J. QUETIN is feeling well again and has been "on his feet" for some time. About three weeks ago, Mr. Quetin suffered a heart attack.

Mr. and Mrs. KARL FREDERICKS and their seven-year-old DAVID report to Mr. Fredericks' parents, Mr. and Mrs. HENRI J. QUETIN, that winter in Cordova, Alaska, is more fun than might be imagined. Mr. Fredericks caught 13 trout recently, each 18 inches long, through a hole in the ice. He also snared rabbits, but coyotes found the game before he got back to claim it. There is two feet of snow in Cordova now, but Christmas was not white, and the mean daytime temperature now is 55 degrees—above, not below, zero.

The Fredericks plan to visit Campbell next fall.

JOHN WHITBY NEALE, first son of the Reverend and Mrs. HERBERT W. NEALE, arrived at 6:41 p.m. on Washington's Birthday in the San Jose Hospital. John weighed 7 pounds, 9 ounces at birth. His three sisters and his father will welcome John and his mother home today.

Mrs. R. M. COBB of E. Campbell Ave., who flew to New York with her short-haired pointer Champion KURT II for the Westminster Dog Show, had an unusual run of bad luck on her trip. A friend's dog, which accompanied Kurt and Mrs. Cobb, was lost for several days in Chicago. Mrs. Cobb was bedridden by flu for five days in the all-too-wind city (snowy, too). Kurt showed off beautifully in two shows and was judged best of breed and third best in the sporting group in the Cleveland dog show; then he lost out in New York to a dog he had beaten in Cleveland.

Seeing Bette Davis in "Two's Company" was a real delight to Mrs. Cobb, but seeing California on her return was even better, she states.

House guests of Mr. and Mrs. R. M. COBB are Mrs. FORREST KNIPE and her daughter JANENE, who hail from Cherokee, Iowa. Janene is a student at Stanford University. Mrs. Knipe will stay with the Cobbs as long as they can induce her to stay.

The latest Sew-What's? Club meeting was held in the Moreland Manor home of Mrs. WALTER HOWES, with all the members present except Mrs. Leatrice Perlandi. The club is contemplating a visit to the Sunset Magazine plant near Menlo Park in the near future.

Mr. and Mrs. E. R. KENNEDY will return today to Willows to visit their son and his family, Mr. and Mrs. NEAL KENNEDY and DEBORAH. Mr. Neal Kennedy underwent an operation at the Veterans' Hospital in Oakland recently and was released three weeks ago and is getting along very well. During his hospitalization his wife and baby daughter stayed in Campbell and visited him often. Meanwhile, Mr. and Mrs. E. R. Kennedy "held down" the ranch near Willows and enjoyed their job.

From the ranch, Mrs. Kennedy tells us, one can see the Sierras, Mt. Shasta and the Coast Range. Every morning during their stay the Kennedys were entertained by carnes, who put on a show across the road.

A get-acquainted meeting was held by the mothers of the third grade Blue Birders attending El Quito Park and Moreland Schools at the home of Mrs. M. Charlton, co-leader, on Paseo Pueblo. The following mothers were present: Leader, Mrs. MARY SMITH; sponsor, Mrs. HELEN ARCHIBALD; Mrs. FLORENCE CRIMSON, Mrs. DEBOIS and Mrs. FUSAE KURASKI.

Mr. and Mrs. F. R. Herring, 31 Mission Way and Mrs. E. M. Ellison, of Los Gatos are the proud grandparents of a baby boy, born to Mr. and Mrs. Floyd M. Hunter of South San Francisco, Tuesday. Proud mothers is the former Norma Herring who graduated from Campbell Schools. Baby weighed 7 pounds 13 ounces.

'Passion For Life' To Be Shown Here

"Passion for Life," a dramatic film depicting the intellectual and social development of children, will be presented by the San Jose Family Service Association throughout the community in the near future.

The film, made in France, relates an unusually beautiful story concerning a teacher and the learning problems of children. The dialogue is all in French, but English titles make it entirely understandable to English-speaking people.

First showing of the picture in this area will be at the Towne Theatre on Wednesday, March 4, at 10 a.m. Second showing will be in the Morris Daily Auditorium at San Jose State College on Thursday, March 5, at 8 p.m. It will again be shown at the James Lick High School on Tuesday, March 10, at 8 p.m.

"Passion for Life" will come to the Campbell Grammar School on Thursday, March 19, at 7:30 p.m.

Price of admission will be 74 cents.
